Point at which certified products may enter a Chain of Custody: It starts from the reception of the product in its processing unit "ACUAMAYA".

More information about the client and/or products and/or units can be obtained at the website of CU (<https://cuperu.com/portal2/>) or in [www.asc-aqua.org](http://www.asc-aqua.org).

This certificate recommends the eligibility of the certificate holder to use the ASC label after obtaining and comply with a logo license agreement with ASC and may claim that its aquaculture products are the result of "Responsible Aquaculture Farming".

The certificate holder has the right to claim that, subject to the scope of its certificate, its operation is certified in accordance with the specific ASC standard covered.

The certificate holder shall not make any claim about ASC certification on consumer facing products without a valid ASC logo license.

The products included in the scope of this certificate can be traded as ASC certified products after the information of this certificate is updated in the ASC website.

This certificate including the annex remains property of Control Union Services SAC and can be withdrawn in case of terminations as mentioned in the client's contract, or in case changes or deviations of the above-mentioned data occur. The client is obliged to inform Control Union Services SAC immediately of any changes in the above-mentioned data. Only an original and signed certificate with accompanying attachments is valid. This certificate and all its copies or reproductions shall be returned to Control Union Services SAC or destroyed immediately on request.

This certificate itself does not constitute evidence that a particular product supplied by the certificate holder is ASC-certified. Products offered, shipped or sold by the certificate holder can only be considered covered by the scope of this certificate when the required ASC claim is clearly stated on invoices and shipping documents.

Valid from: 28-August-2023
